MEMORANDUM FOR: [REDACTED]

Dick:

Pursuant to our conversation of yesterday, I am sending along the files of [REDACTED] both of whom are candidates for your position in [REDACTED]

My first choice would be [REDACTED]. He has had several years of well-rounded and responsible administrative experience; he is also a full Colonel in the Army Reserve. I believe that he could do this job and do it very well. You will note that in his record several years ago there is some indication that he occasionally rubbed people the wrong way. However, since that time his record of performance as Deputy Chief of Administration of both the WH and SR Divisions is good. The Medical Officer has informally stated that there is nothing in his medical record that would prohibit his being approved for this assignment, but, of course, we would have him take an overseas physical examination if he is chosen for this assignment.

While I do not know [REDACTED] very well, he is highly recommended by [REDACTED] and Gordon Stewart, of the Office of Personnel, in whose judgment I have every confidence.
